Super comfy basket type chair, black with silver frame. In great condition. \$60 obo.

Harman/Kardon AVR235 7.1 Surround Receiver – 7 channel surround receiver, DTS/Dolby Digital EX, SACD, sounds great. Comes with full multi-device remote. See <http://www.amazon.com/Harman-Kardon-AVR-235-7-1-Channel/dp/B00065HLXI> \$80.

Alesis Matica 500 Stereo Poweramp – Poweramp that delivers 2x250W RMS into 2 ohms. Incredible technical data and it sounds fantastic. Great condition both electronically and visually. See http://www.soundonsound.com/sos/1995_articles/jun95/alesismatica.html \$130.

Car Polisher/ Buffer – works great, comes with polishing and buffing covers. \$10.

Lamp/Uplighter – works great, will light up your room. WYSIWYG. \$5

7mm Wetsuit, IST Pro-Line with zippered arm and leg seals. Size Medium. Fits someone approximately 5'7"-5'11" weighing 140-170 lbs. Worn very few times as it is a bit too small for me (6' and 170-175 lbs). Great condition. \$50 obo.

dan

Soccer/hockey/whatever goal 5' by 3' with good netting to stop anything to the size of about a puck. Collapses easily with locking pins when in use. \$FREE

2 Ikea VITAMIN stools, they are height-adjustable via a gas lift that works great and they rotate on their base. Keep your back healthy! \$5 a piece. See <http://priceconomics.com/bar-stools/ikea/vitamin-stool/>

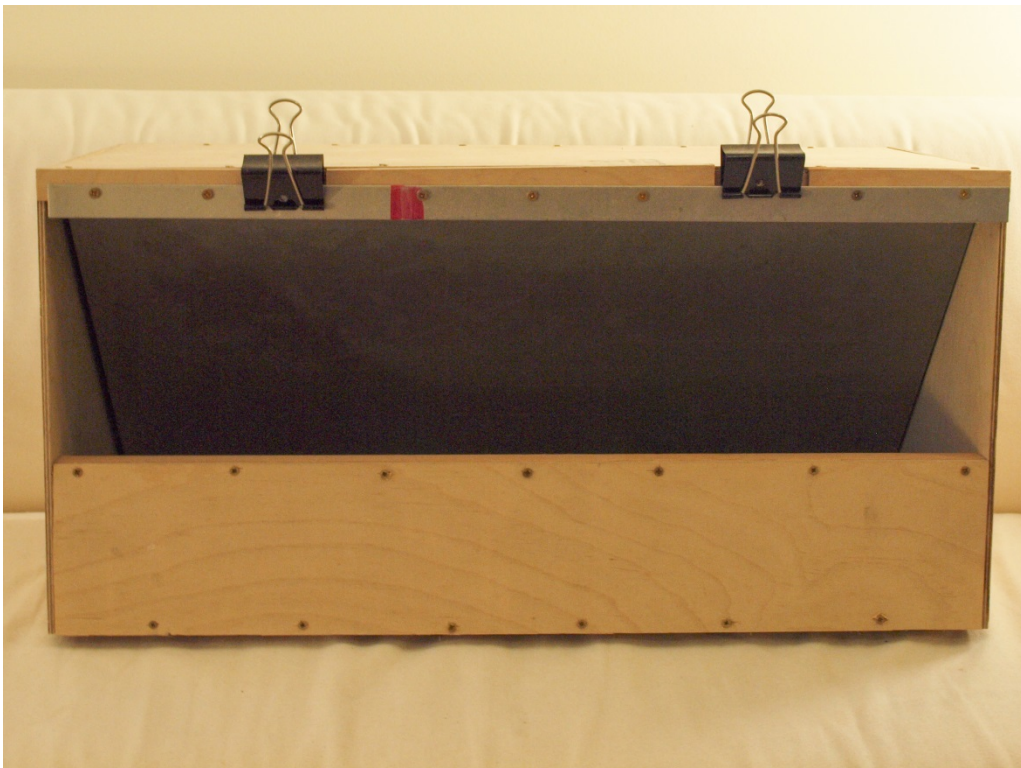

Iron Horse Bike 'Outlaw', about a 20" f rame, 21 gear shimano Ds with sram shifters. fits someone between about 5'0"-5'8". Seat has some duct tape on it, but the drivetrain and the brake system are in very good condition. Works very well overall. Fully adjustable. \$30 obo. See <http://thebicycleman.blogspot.com/2010/10/ironhorse-outlaw-145.html>

Medicine Ball 12lbs – I have no idea what you'd use this for. I prefer painkillers. Apparently it's 38 bucks new, though... Seems to have great reviews, too. <http://www.amazon.com/Valeo-VA4504YE-Medicine-Ball-Lbs/dp/B008SIDIT6> - \$15 obo.

Air Pistol Pellet Trap – For 2 targets, includes bulldog clips. Heavily overengineered using thick sheet metal by a previous JP student (Alex Bahr) – very nicely built with the finest tools at the Stata Center. \$10 obo.

Rollerblades "Lighting" by – you guessed it, Rollerblade. Size 10. They work relatively well even though some new wheels wouldn't hurt them. Great for street hockey though! Why go for another brand when you can have the real deal? \$5.

Floataway Sky Chair – Just hang it anyway and get ready to float away into ultimate comfort – incredibly comfortable sky chair includes arm rests, cup holder and footrest (not pictured). Blue. Mint Condition, always stored inside. See <http://www.sierratradingpost.com/abo-gear-floataway-chair-swing~p~99725/> I'll throw in ~20 ft of 3000 lbs test Dyneema and a carabiner to hang it. \$30 obo.

Plant that kinda looks like a Spathiphyllum, and I feel like it may just be one... WYSIWYG. Nice white Ceramic pot.
Healthy plant. \$5 obo.

Panasonic YD-250 Bread Maker – with yeast dispenser. Top of the line bread machine – works great, makes fantastic bread. I'll throw in some locally adjusted Sourdough starter if you want (originally from the Oregon trail, no joke). Paid \$150 on Newegg. <http://www.newegg.com/Product/Product.aspx?Item=N82E16894100001>

Craftsman Brushcutter 46.7cc – Comes with brushcutter blade and trimmer head attachment. Completely re-did the fuel system (now E10 proof) and the carburetor. New arbor and various other parts. Starts and runs incredibly well. Lots of power. Comfortable to wear. Note that the handle and other parts are from a newer model brushcutter, making it easier to use. Feel free to try it in my yard... It could do with some brushcutting. \$80 obo.

Hobie 18 – Excellent condition, fully overhauled in 2011. Lots of new hardware, both hulls reinforced with DuPont Kevlar. Looks and sails incredible. Comes with beach wheels (as seen under the boat here) and road trailer. \$2500.

Ridgid Table Saw TS3650 – 10" blade. Blade is new this year. Very good table saw with massive cast iron top. Weighs about 290 pounds. There is some dirt and some surface rust on it that is easily strippable. Blade guard and all accessories included (and will be installed, unlike on the picture). 45/45 mitre in both directions. See <http://www.ridgid.com/Tools/TS3650-Table-Saw/> \$280 obo.

Subwoofer – JPA Special with 2x12" drivers as push-pull. Use as home cinema sub or put it in your car, don your hoodie and drive to Walmart. One Legacy 500W driver, one 500W Terminator MTX driver. Obviously neither can actually handle 500W. Works great with the Alesis that I'm selling too. 3/4" MDF housing, extremely sturdy. \$10 obo.
