The deadline for filing tax returns to the U.S. Government Internal Revenue Service (IRS) and to the Massachusetts Department of Revenue (DOR) is quickly approaching (April 17, 2019). The International Committee is pleased to assist our international community by sponsoring this seminar/workshop to help you in meeting your tax responsibilities for 2018.

**L. Lisa Hong** is licensed in the Commonwealth of Massachusetts as a certified public accountant. She has been helping with this workshop for many years now, and her expertise in US foreign national income tax issues is invaluable. We are very fortunate to have Lisa available again this year.

This seminar will assist you as a foreign national living and working in the United States in understanding your tax responsibilities. The format will be an informal round-table type of discussion where questions and issues can be discussed and addressed. For general information on international taxpayers, please go to this IRS website: <https://www.irs.gov/Individuals/International-Taxpayers>

Please plan to come early so we can get started on time, also feel free to bring your lunch. Some refreshments will be provided.

If you have specific questions about your tax responsibilities, please contact Andrew Daly, WHOI, x2852, [adaly@whoi.edu](mailto:adaly@whoi.edu), or Matt Person, MBL, x7345, [mperson@mbl.edu](mailto:mperson@mbl.edu), and they will send your questions to Lisa Hong beforehand for her review.
