

Ever wanted to spend a week in Montreal – free accommodation?

We are swapping our beautiful 3-bedroom house for a place on Cape Cod for the period **June 29 – July 6, 2019.**

About the house:

It is a 2 story house – ground floor is open concept (kitchen, dining room, living room with sofa bed, and hallway), on the second floor there are 3 bedrooms and a bathroom. We also have a very large backyard, where adults and kids can entertain. We have free parking space in front of the house plus our own driveway parking space.

About the neighbourhood:

The subway is only 10 minutes walking distance from the house, which makes it very easy to travel via public transit everywhere in the city. We are very close to the famous French neighborhood Le Plateau, the open-air market Jean Talon, downtown and Old Port, Little Italy, Montreal Botanical Garden and other attractions. There are city bikes BIXI available next to our house and bike lanes all around.

We love our neighborhood! It has everything you need – local supermarkets, restaurants and bakeries, parks, hospital and pharmacy. It is a walking distance from Rosemont neighborhood and the famous Beaubien Street with its Cinema Beaubien, French brunch places, and boulangeries.

About us:

We are a family of two with a gentle and house-trained dog. Our only requirement is for you to be open to let us stay in your place with our dog.

If you are interested, please PM Kalina or Jason and they will put us in touch.

Thanks!
