AVAST's 3rd Thursday Tech Talk

DATE: December 16th,2021

TIME: 3:00 pm - 6:00 pm

Open House with JP student technologies

Talk will be an end-of-the-year Open House showcasing four JP students who will present technical aspects of their doctoral research:

Rachel Kahn (JPAOSE) on holographic imaging

Luka Catipovic (JPCO) on in situ optical absorption-attenuation measurements

Mallory Ringham (JPCO) on the CHANOS 2 DIC sensor

Lauren Dykman (JPBO) on large capacity suction sampling using ROV Jason

The seminar will take place in the Quissett Research Facility (QRF) AVAST Social Hub with initial presentation followed by informal collisions and discussions over a FESTIVE Holiday light meal, snacks and BEVERAGES in the AVAST high bay.

All interested staff and students are invited to attend.
