

# *Edible Invasive Plants Walk*

*Want to learn how to help protect the environment while also foraging for a free meal? Join us for a stroll around Quissett campus and learn to identify some invasive plants, edible plants, and edible invasive plants!*

*There \*may\* be samples!*

A yellow circular graphic with a black outline of a plate and a fork on the right and a knife on the left. The text is centered within the plate area.

*4:05 pm*

*Meet at Fenno Lobby*

*Wed. May 10th*
