## **Description:**

For sale is a 2007 Toyota Camry Hybrid in excellent condition, with no known mechanical issues. This vehicle has been in my family since it was purchased from the dealership, and spent all but the last two years on the dry, salt-free roads of Southern California. It has been meticulously cared for, and we never skipped routine maintenance. A mechanic recently told me that this car will last forever – it is not uncommon for Toyotas from this era to run reliably to 300k miles. If you need a super reliable vehicle for a great price, this could be the car for you.

The car has a few minor issues to be aware of:

- At my most recent service appointment, Toyota mechanics informed me a valve cover gasket and the radiator were leaking slightly, but advised inaction; they said these are common issues for an older car, and can generally be ignored.
- Driver-side control of the passenger-side window works intermittently (but the passenger-side window control works reliably).
- The trunk handle works intermittently (but the trunk can always be opened using the driver-side mechanical lever).
- Small dents and scratches on right side doors.

This is a really solid hassle-free car, perfect for getting around town.

*Available for pickup on or after 8/19/2024.*

Please reach out if you have any questions!

Cheers,  
Blake

## **Details:**

- Make: Toyota
- Model: Camry Hybrid
- Year: 2007
- Color: Silver
- Mileage: 174k miles

## **Features:**

- Mechanical
  - Traction Control
  - Stability Control
  - ABS (4-Wheel)
  - Power Steering
  - Tilt Wheel
  - Premium 19" Wheels
  
- Interior
  - AM/FM Radio
  - Cassette Player
  - 6-Disk CD Player
  - JBL Premium Sound System
  - Navigation System
  - Bluetooth Wireless Phone
  - Air Conditioning
  - Power Windows
  - Power Door Locks
  - Cruise Control
  - Dual Power Seats
  - Leather Seats
  - Dual Air Bags
  - Side Air Bags
  - Moon Roof (Slide + Tilt)
  - Includes 3x Key FOBs (\$800+ value)
  
- Administrative / Maintenance
  - Clean Title
  - Non-Smoker
  - Includes Original OEM User Manual
  - Registration Current (May 2024)
  - Brake Pads Replaced (May 2024)
  - Professional Interior Detail (Aug 2024)

Private Party Range  
**\$3,638 - \$5,907**

Private Party Value  
**\$4,773**
