

The Institute of Environmental Science and Technology (ICTA) at the Universitat Autònoma de Barcelona (UAB) invites applications for

➤ **1 Fellowship in Marine Palaeoclimatology of 16 Months for an Experienced Researcher (ER) at the Post-Doctoral Level**

The fellowship is sponsored by the 7th Framework Programme of the European Community as part of the Marie Curie Initial Training Network "GATEWAYS".

The **ER fellowship** is directed towards reconstructing the Late Pleistocene ocean circulation of the Agulhas Current regime off southern Africa and its relation to the climate variability in the Southwest Indian Ocean and beyond. We seek a candidate with expertise in either of the fields of stable isotopes ($\delta^{18}\text{O}$, $\delta^{13}\text{C}$) and trace element geochemistry (Mg/Ca, Cd/Ca) or radiogenic isotopes. For further information about the GATEWAYS project visit www.gateways-itn.eu

Eligibility. EC Marie Curie ITN recruitment and mobility regulations apply. Eligible for the ER fellowship at the ICTA/UAB are:

- Spanish nationals who have legally resided and had their main activity outside Spain and the EU (i.e., in a non-associated third country) for at least three of the last four years immediately prior to the appointment;
- Non-Spanish nationals who have not resided or carried out their main activity in Spain for more than 12 months in the 3 years immediately prior to the appointment (short stays such as holidays are not taken into account);
- Fellows who at the time of their appointment are within the first 5 years (full time equivalent) of their career, starting from the date when the degree was obtained that was required to embark on their doctoral programme.

Application documents. Applicants who fulfil the above criteria submit by email a letter of intent stating their interest in the GATEWAYS project; their Curriculum Vitae showing, amongst others, their University education background; the names, addresses, email and telephone numbers of two referees who the search committee can contact for letters of reference.

Contact. GATEWAYS Project Office, Universitat Autònoma de Barcelona, Institut de Ciència i Tecnologia Ambientals, Cerdanyola del Vallès, Spain
