

**Preceptor (teaching/curriculum development) in Earth and Planetary Sciences
Harvard University**

The Department of Earth and Planetary Sciences seeks applications for a preceptor. The successful applicant should be well versed on the issues of earth sciences, and have experience in developing, teaching, and supporting sections and labs. A strong doctoral record is preferred. The salary range for this position is \$49,800 to \$55,800 depending on qualifications and experience. The position is renewable on a yearly basis for up to eight years, contingent upon performance and curricular needs. For greater detail about this position and to apply, visit: <http://academicpositions.harvard.edu/postings/4318>. Applications should include: i) a cover letter that discusses how this position would fit into the applicant's career trajectory; ii) the names and addresses of three referees; iii) a CV; and (iv) a statement of teaching experiences and philosophy. The three letters of recommendation should be submitted separately and at least one letter must discuss the applicant's experience with teaching, administration skills, and other educational work.

Harvard is an Equal Opportunity/Affirmative Action employer. Applications from women and minorities are strongly encouraged.
