

UNLEASH YOUR PHD

VIRTUAL EVENT, 17 SPEAKERS
OCTOBER 25-29, 2021

[>>LINK: FREE TICKETS<<](#)

WHO IT'S FOR:

- Anyone with a PhD or who is working on one and is curious about non-academic job opportunities

...From any sector (STEM, humanities, & beyond)

...Who wants to feel more confident, supported, and excited in their job search

...And who wants more than the generic career advice or job panel with access to unique talks and a diversity of speakers & experiences

SPEAKER TOPICS:

- Creating a website
- Using your PhD for good (social entrepreneurship)
- Science communication job tips
- Confidence in marketing your skills outside academia
- A talk from **MIT-WHOI Graduate Jessica S. Dabrowski** on burnout, overwhelm & mental health
- And more!
