November 28 and
running through
March 6

2006/2007: Free Tuesday Video & Lecture Series

Stellwagen Bank National Marine Sanctuary invites the public to attend a free video series at its meeting annex in Scituate, Massachusetts on Tuesday evenings from late November until early March. Each video will be supplemented by a short talk on a related topic by sanctuary staff or a guest speaker. The programs will be held every other week, starting November 28, from 6:30 p.m. until 8:00 p.m. The annex is located on Sunset Road on First Cliff. Visit the sanctuary Web site at <http://stellwagen.noaa.gov> for directions to the sanctuary's Scituate facilities.

2006

- Nov. 28** **Video: Science of the Deep – The Wreck of the Portland**, a special one-hour program in high definition video from The Science Channel
Commentary: Matthew Lawrence and Deborah Marx, sanctuary maritime archaeologists will discuss shipwrecks of the sanctuary
- Dec. 12** **Video: Ocean Adventures – Voyage to Kure, Part 1**, an exploration of the islands, atolls, and submarine features of the nation's new Northwestern Hawaiian Islands Marine National Monument
Commentary: Craig D. MacDonald, Ph.D., sanctuary superintendent, will recount stories from his research experiences at Kure Atoll
- Dec. 26** **Video: Ocean Adventures – Voyage to Kure, Part 2**, the voyage to the far reaches of the Northwestern Hawaiian Islands culminates at Kure
Commentary: Craig D. MacDonald, Ph.D., sanctuary superintendent, will continue his entertaining tales from the NW Hawaiian Islands

2007

- Jan. 9** **Video: Ocean Adventures – Sharks at Risk**, a close-up look at this fascinating but often misunderstood group of animals
Commentary: Carol Carson, naturalist and educator, will report on a new program to identify basking sharks in the sanctuary
- Jan. 23** **Video: Ocean Adventures – America's Underwater Treasures, Pt 1**, a tour of the sanctuaries starts with visits to the Florida Keys, Channel Islands, Flower Garden Banks and Olympic Coast
Commentary: Ben Cowie-Haskell, assistant superintendent, will review his work on the Tortugas Ecological Reserve in the Florida Keys NMS
- Feb. 6** **Video: Ocean Adventures – America's Underwater Treasures, Pt 2**, the tour continues with visits to Stellwagen Bank and Monterey Bay
Commentary: Ben Cowie-Haskell, asst. superintendent, will relate his experiences diving with the Cousteau film crew on Stellwagen Bank
- Feb 20** **Video: Ocean Adventures – The Grey Whale Obstacle Course**, follows the migration of these west coast giants
Commentary: Leila Hatch, Ph.D., sanctuary acoustics specialist, will provide highlights from recent whale research missions in the sanctuary
- Mar. 6** **Video: Game Warden TV: Stellwagen Bank**, provides an inside look at resource protection programs in the sanctuary
Commentary: Anne Smrcina, education coordinator, will provide tips on safe boating around whales from the sanctuary's *See A Spout* program

All programs are free and handicapped accessible. Check the sanctuary's Web site for updates to this program, as the schedule is subject to change. For cancellation notices due to weather, call the sanctuary office at 781-545-8026 ext. 0. Due to limited parking availability, we ask that you please carpool, walk, jog, bike, rollerblade or ski (depending on road conditions). Thank you.
