Summer teachers wanted

The Children's School of Science is seeking talented and motivated teachers for its summer 2009 session in Ornithology, Robotics & ROVs, and Meteorology & Climatology,. Three and six week courses meet every weekday for ninety minutes.

Applicants to CSS normally have a minimum of a Bachelor of Science or Arts in a scientific specialty; however, the school considers applicants with alternative qualifications.

Skills required: teaching experience required, with children recommended; and a demonstrated ability in field of expertise.

Information on the school and its programs can be found at:
<http://www.childrensschoolofscience.org/>

Please send application, cover letter and three references to:

Karen Schwalbe
