

## **Workshop on “Managing Stormwater for Low Impact Development (LID)”**

**Hosted by:** Association to Preserve Cape Cod and Massachusetts Bays Program, Cape Cod

**Date:** October 19, 2011, 8:00 AM to 12:00 PM

**Location:** Waquoit Bay National Estuarine Research Reserve  
149 Waquoit Highway, Waquoit, MA 02536

### **Agenda**

- 8:00 - 8:30 AM**      **Registration and refreshments**
- 8:30 - 8:35 AM**      **Welcome**  
Alison Leschen, Manager, Waquoit Bay National Estuarine Research Reserve  
  
Ed Dewitt, Executive Director, Association to Preserve Cape Cod
- 8:35 - 8:45 AM**      **Introduction and Overview of Seminar Series**  
Scott Horsley, President and Principal, Horsley Witten Group, Inc.
- 8:45 - 9:45 AM**      **Low Impact Development (LID) Design and Implementation for Residential and Non-residential Properties**  
Scott Horsley, President and Principal, Horsley Witten Group, Inc.
- 9:45 - 10:00 AM**      **Break**
- 10:00 - 10:45 AM**      **Reducing Pollutant Loads**  
Neal Price, Senior Hydrologist, Horsley Witten Group, Inc.
- 10:45 - 11:45 AM**      **Stormwater Retrofitting for Low Impact Development**  
Neal Price, Senior Hydrologist, Horsley Witten Group, Inc.
- 11:45 - 12:05 PM**      **Cape Cod Water Resources Restoration Project: Stormwater Projects**  
Donald Liptack, District Conservationist, USDA Natural Resources Conservation Service
- 12:05 - 12:15 PM**      **Questions and answers**
- 12:15 PM**              **Adjourn**

(Professional Development Credits (PDCs) are available for this seminar)

Registration: To register for this free workshop, visit the APCC website at: <http://apcc.org/> . Under “**What’s New**” at the bottom left of the page, click on “**Stormwater Workshop**”. This will open a registration form which you can fill out and submit.

Directions to WBNERR:

Waquoit Bay National Research Estuarine is located on the southern part of Cape Cod, in southeastern Massachusetts.

**From Boston:** Follow Route 3 South to the Sagamore Bridge over the Cape Cod Canal. Route 3 crosses over the bridge and becomes Route 6. Take Exit 2 (Route 130). Turn right off the ramp and follow 130 South 7 Miles to Great Neck Road, just after Dunkin Donuts (which is on the left side of 130). Turn right onto Great Neck Road and follow it 2 miles to the Mashpee Rotary. Halfway around the rotary, take Route 28 toward Falmouth/Woods Hole. The reserve is located 3.5 miles from the rotary on the left.

**From Providence and Points West:** Follow Route 495 or 195 to Route 25. Route 25 crosses over the Bourne Bridge and becomes Route 28. Follow Route 28 South to Route 151 (first exit after the Cataumet/Otis ANGB Rotary). Turn right off the ramp and follow 151 east under the bridge toward New Seabury and the Mashpee Rotary. At the rotary, take Route 28 toward Falmouth/Woods Hole. The reserve is located 3.5 miles from the rotary on the left.

**From Falmouth:** Proceed south on Route 28 (toward Mashpee). The Reserve is located a just under 2 miles from the Davisville lights in East Falmouth (1 mile from Mahoney's Garden Center and 0.5 miles from White's Landing/Edward's Boat Yard/Childs River) on the right after the Waquoit Cemetery.

**From the East:** Follow Route 6 to exit 5 (Route 149). Follow 149 South towards Marstens Mills to Route 28. Take a right on 28 North (towards Falmouth). Follow Route 28 around the Mashpee Rotary and continue on 28 towards Falmouth/Woods Hole. The reserve is located 3.5 miles from the rotary on the left.

The Boathouse is located to the left of the main building. Please park in the designated parking areas.
