

Saving Sea Turtles: How *NOT* to Catch Sea Turtles in Fishing Gear!

Friday May 4 at 6:00 p.m. in the Canal Club

Downstairs at the Trowbridge Tavern, off the
Bourne Rotary, 100 Trowbridge Rd, Bourne MA.

Bring the family and meet Henry Milliken,
Research Fisheries Biologist at NOAA Fisheries in
Woods Hole. We will learn how he and other sci-
entists are working to develop better commercial
fishing gear that will reduce the accidental catch
of protected species like sea turtles.

Mr. Milliken's talk will include movies, pictures and
a taxidermy turtle to touch.

Admission is Free, Donations Accepted.

All donations to support
Bourne Community Boating.
