**Meet Elvis Munis** – he's cycling around the world, unsupported, for two years to raise funds for education for fellow Tanzanian students.

By supporting young conservationists in Tanzania, you can help to create a sustainable future for wildlife.

### OUR GOAL

The goal is to raise \$100,000 as Elvis rides around the world over the next two years – enough money for one-year conservation scholarships for 10 Tanzanian students, and to support ongoing education at the Conservation Resource Centre (CRC) for two years.

### Follow Elvis around the world
