

REQUIEM

WILL OUR MISCONCEPTIONS LEAD TO THEIR EXTINCTION?

February
17

 Mass Audubon

W.H.A.T.
WELLFLEET HARBOR ACTORS THEATER

Tickets are available
online at **what.org** or
by calling
(508) 349-9428

\$9 Adult/\$7 Youth
\$7 Adult/\$5 Youth (Requiem only)

Sea Change: An Ocean Conservation Film Series

Noon: Requiem ♦ 2:30 p.m.: Sushi: The
Global Catch ♦ 7:30 p.m.: The Big Fix

Screenings & discussions at the Julie Harris Stage
Moderator: **WGBH radio producer and host Mindy Todd**

Join us for a family-friendly short film & activities on sharks, followed by an opportunity to see films and hear from scientists and thought leaders on fisheries management and the Gulf oil disaster:

David P. Henchy, co-founder, Cape Cod Fish Share; Owen Nichols, Director, Marine Fisheries Research, Provincetown Center for Coastal Studies; Shawn P. Carey, photographer, Migration Productions; Drew Wheelan, former Gulf Conservation Coordinator, American Birding Association

THE TRUTH
IS DEEP BENEATH
THE SURFACE
