

## 2013 Biotechnology Summer Program for Middle School Students

At Bridgewater State University CityLab

### Whale of a Mystery

Students who are entering grades 6, 7, 8 or 9 in the fall of 2013 are invited to apply for this exciting and educational week-long summer program. Using investigative laboratory techniques, participants will solve a forensic mystery related to the hunting of endangered Cetacean species. They will work in teams to conduct laboratory research, develop a poster, and present their results orally at a public poster session. Whale-watching trip included.

Two separate one-week sessions are offered:

**Session I, July 8-12, 2013**

**Session II, July 15-19, 2013**

The program meets daily, from 8:30 am to 4:00 pm,  
on the Bridgewater State University campus.

The fee of \$300 per student does not include lunch or  
transportation. Limited need-based scholarships will be available.

**Application packets are now available!**
