## About the Program

Organizers of the Northeast Aquaculture Conference & Exposition (NACE) and the Milford Aquaculture Seminar (MAS) in association with the Nova Scotia Aquaculture Association, the PEI Aquaculture Alliance and the Atlantic Canada Fish Farmers Association are excited to convene this special joint meeting January 14-16, 2015. In addition to concurrent sessions on all aspects of aquaculture, the conference will include multiple workshops, field trips and a trade show featuring 40 vendors servicing the industry.

## Abstract Submission Details

We encourage the submission of high quality oral, poster or technology transfer presentations. Each submission **must** be accompanied by an abstract not to exceed 250 words. Submissions are encouraged on topics regarding any aspect of shellfish, finfish and seaweed aquaculture and restoration, including (but not restricted to) engineering, economics, biology, pathology, culture techniques, marketing and education. Oral talks will be 15 minutes in length. Please visit the meeting web site for online submission details or if you have questions, contact one of the program co-chairs listed below.

[www.northeastaquaculture.org](http://www.northeastaquaculture.org)

Abstract submissions will be accepted

Until October 31, 2014

Please visit [www.northeastaquaculture.org](http://www.northeastaquaculture.org)  
for submission details

## Special thanks to our conference sponsors

(as of September 20, 2014)
