

The Northeastern University Marine Science Center presents

COASTAL OCEAN SCIENCE ACADEMY 2016

For over a decade, the Coastal Ocean Science Academy (COSA) has provided a hands-on, research-based STEM education experience that connects young people to local coastal habitats and the factors that shape them. This day program is based at the MSC's campus in Nahant, but includes off-site field trips to locations around Boston and the North Shore.

Middle School Program – July 11 to 15

- *COSA Littorina* – students entering grades 7-8

High School Program – August 8 to 19

- *COSA Chondrus* – students entering grades 9-12
- *COSA Pagurus* – returning students entering grades 10-12

A limited number of full and partial scholarships are available. Daily shuttle available between Ruggles, Wonderland, Lynn MBTA stations and the Marine Science Center.
