Eastham, on Saturday, June 18th, and be treated to a guided visit of their outdoor enclosures, get a sneak-peek at a few of their wild babies, enjoy homemade baked goods, light refreshments, and even take home a party favor! There is no fee to attend, but baby shower gifts are greatly appreciated. WILD CARE’s wildlife rehabilitators treat birds, mammals and reptiles brought to the center, with the goal of releasing them back into the wild when they are capable of independent survival. Through public education, WILD CARE works to prevent wildlife casualties and works to engage the community in conservation through volunteerism. Since our founding WILD CARE has accepted over 25,000 wild creatures, representing over 275 species of native birds, mammals and reptiles.
