“A WING AND A CARE” - FILM TO BENEFIT WILD CARE

Eastham, MA. September 14, 2016. Wild Care will host a showing of the documentary titled, “A Wing and A Care” at the Chatham Orpheum Theater on Saturday, September 24th from 8 AM – 10:00 AM. The film, created by Braintree local Shawn Carey of Migration Productions, follows the stories of three amazing New England men as they work to protect the birds they love. The film highlights how a single individual can make a world of a difference in the life of a bird, and it asks a critical question: How can each one of us get involved and help build a better future for these incredible birds?

Tickets are \$25 and can be purchased at the Chatham Orpheum Box Office in advance, or on the date of the event. Tickets can also be purchased directly online through the Chatham Orpheum’s website by visiting:

<http://www.chathamorpheum.org/a-wing-and-a-care-building-a-future-for-birds/>

Guests will be treated to coffee, bagels, muffins, pastries and donut-holes, generously donated by Hole-in-One Bakery of Orleans, Cape Cod Coffee of Mashpee, and Bonatt’s Bakery in Harwich. All proceeds benefit WILD CARE, Inc., a wildlife rehabilitation center located in Eastham, in support of WILD CARE’S mission of rehabilitating and releasing sick, injured and orphaned wildlife.

The Chatham Orpheum Theater is located at 637, Main St. Chatham. 508-945-0874.

See attached flyer and info sheet for more details.

Film description can also be viewed at: <http://migrationproductions.com/video-a-wing-and-a-care/>

WILD CARE’s wildlife rehabilitators treat birds, mammals and reptiles brought to the center, with the goal of releasing them back into the wild when they are capable of independent survival. Through public education, WILD CARE works to prevent wildlife casualties and works to engage the community in conservation through volunteerism. Since our founding WILD CARE has accepted over 22,000 wild creatures, representing over 275 species of native birds, mammals and reptiles.
