## HARVEST “DINE-OUT” EVENT AT VAN RENSSELAER’S – TO BENEFIT WILD CARE October 20<sup>th</sup>, 2016

Eastham, MA. October 12, 2016. On Thursday, October 20<sup>th</sup>, from 4 PM- 8:30 PM, Van Rensselaer’s (VR’s) Restaurant in S. Wellfleet will host a Harvest “Dine-Out” Dinner to support Wild Care. Between 4 PM and 8:30 PM, order anything off the regular menu, and a portion of the proceeds will be donated to Wild Care. In addition, Van Rensselaer’s is offering a special 3-course vegan OR vegetarian “Prix Fixe” menu. 100% of the proceeds from the Prix Fixe menu go to Wild Care! (Menu attached) “VR’s owners Diane and Peter Hall have been incredibly generous to Wild Care,” states Wild Care Executive Director, Stephanie Ellis. “Since 2012, VR’s has hosted a “Vegan Harvest Dinner” in our honor. This year, we’ve mixed it up a little. Guests can choose from the current VR’s menu, or they can select a vegan or vegetarian Prix Fixe meal. There is truly something for everyone! The chefs at VR’s are incredibly talented, and patrons are in for a delicious and high-quality meal.” This fundraiser will help Wild Care continue its mission of providing personalized care for injured wildlife, and raising awareness about the impacts wildlife are facing on Cape Cod through education, outreach, & advocacy.

Wild Care invites the public to dine out at Van Rensselaer’s on October 20<sup>th</sup>, and support this wonderful restaurant and great cause! The evening’s activities will also include a silent auction. You do not have to be present to win.

Van Rensselaer’s is located at 1019 Rt. 6 S. Wellfleet., <http://vanrensselaers.com>

RSVP is strongly encouraged. To RSVP, contact VR’s at 508-349-2127. For general information about this event, contact [events@wildcarecapecod.org](mailto:events@wildcarecapecod.org). Details also on Facebook! <https://www.facebook.com/events/1808910645991029/>

*WILD CARE’s wildlife rehabilitators treat birds, mammals and reptiles brought to the center, with the goal of releasing them back into the wild when they are capable of independent survival. Through public education, WILD CARE works to prevent wildlife casualties and works to engage the community in conservation through volunteerism. Since our founding WILD CARE has accepted over 22,000 wild creatures, representing over 275 species of native birds, mammals & reptiles.*
