

The Northeastern University Marine Science Center presents

COASTAL OCEAN SCIENCE ACADEMY 2017

For over a decade, the Coastal Ocean Science Academy (COSA) has provided a hands-on, research-based STEM education experience that connects youth to local coastal habitats and the factors that shape them. This day program based at the NUMSC's campus in Nahant, and includes off-site field trips to locations around Boston and the North Shore.

- **Middle School Program** – July 17 to 21
 - COSA *Littorina* – students entering 7th – 8th grade
- **High School Program** – August 14 to 25
 - COSA *Chondrus* – students entering 9th – 12th grade
 - COSA *Pagurus* – returning students entering 10th – 12th grade

A limited number of full and partial scholarships are available. A daily shuttle is available between Ruggles, Wonderland & Lynn MBTA stations and the Marine Science Center.
