Responsibilities:

- Assist staff with fieldwork and educate visitors about birds and habitat of barrier beach island
- Educate boaters on clean and green boating practices
- Assist with maintenance of oyster upweller project and educate public on the benefits of shellfish
- Educate public on clean water issues at community events
- Conduct clean-ups along barrier beach island
- Assist with water quality sampling in July and August
- Assist staff with office work as needed

Qualifications:

- 18 years or older
- Experience operating small boats
- Capable swimmer
- Comfortable working outside on the water and in the field
- Weekends required
- Outgoing and comfortable talking to all age groups

To apply, send your resume and cover letter to Heather Rockwell at info@bcleanwater.org or P.O. Box 215, Osterville, MA 02655 by April 27th.
