

# Cuttyhunk and Elizabeth Islands Cruises

**Escape** to the unique Elizabeth Islands off the coast of Cape Cod. Step back into a simpler time and explore the sleeping land out in the water. We will cruise through Vineyard Sound and Buzzards Bay with commentary focusing on landmarks, geology, wildlife, and the history of these quiet, protected islands.

On Penikese Island, we will visit the abandoned Leper Colony and endangered Tern Colonies, a poignant and inspiring experience. Then on to Cuttyhunk where we'll see views from 150' high Lookout Hill, and visit the island's quaint village and bustling harbor on a walking natural history tour.
