

next gen explorers expo

grants, programs, and field opportunities

Join us for a gathering of **emerging explorers** from the Boston/New England area, hosted by the Next Generation Explorers Network (NGEN) of The Explorers Club.

What: Meet representatives from exploration **grant** making institutions including Rolex, The Explorers Club and Adventure Canada. Learn about undergraduate and graduate science **programs**, as well as **field opportunities** to get out and explore. Network with scientists, mentors, and next gen explorers with similar interests and passions.

Where: Massachusetts Institute of Technology
77 Massachusetts Ave, Cambridge, MA 02139
Bush Building (Lobby 13)

When: Saturday, October 27th - 11:15 am to 1:15 pm

Who: Secondary, undergraduate, and graduate students from the greater Boston/New England area.

Contact: The Explorers Club - 212-628-8383 or explorers.org for more information

FREE of charge but reservations are required!
