

THE WHOI WOMEN'S COMMITTEE PRESENTS

# WOMEN ON ICE

Join us for a conversation with five women  
who work on, near, and under the ice:

**Sarah Das** (glaciology and paleoclimatology)

**Joanna Millstein** (ice shelf rifting)

**Leah McRaven** (Arctic oceanography)

**Meghan Donohue** (Arctic moorings)

**Casey Machado** (under ice vehicles).

Bring your curiosity and questions and come  
early-our last event sold out! An informal  
reception with refreshments will follow.

WEDNESDAY

MARCH 20, 2019

7:00 – 8:30 P.M.

Redfield Auditorium

45 Water Street, Woods Hole MA 02543
