### **Eyes on Owls: A Live Owl Show!**

**Saturday! March 30th at 10am and 1pm**

*Westport, Massachusetts* – Westport Land Conservation Trust is pleased to present their sixth annual live owl show. Eyes on Owls – A LIVE Owl Show! returns to Westport on Saturday, March 30th at the Junior/Senior high school (19 Main Road, Westport, MA 02790). Attendees are in for a fun hooting lesson and close-up views of these secretive birds of prey! Showtimes are at 10 am and 1 pm.

Naturalists Mark and Marcia Wilson will present the live owls one at a time with each owl perched securely on Marcia's gloved hand. The owls presented have permanent disabilities which prevent them from surviving on their own in the wild. These non-releasable owls are captivating ambassadors from the world of wildlife.

All the owls are legally permitted by state and federal agencies for use in environmental educational programs. Tickets are \$10 for adults, \$5 for children ages 5-11. (This program is not recommended for children under 5.)

Tickets will be sold at the door on the day of the event. Online ticket sales are available at [www.WestportLandTrust.org](http://www.WestportLandTrust.org). Thank you to our generous business sponsors at: Country Woolens; Alden Hill Group; Read Custom Soils; Anchor Animal Hospital; and Whaling City Transit.

#### About the Westport Land Conservation Trust

Since its founding in 1972, the Westport Land Conservation Trust has assisted landowners in protecting more than 4,700 acres in Westport, Massachusetts. WLCT is a private non-governmental organization dedicated to local land conservation on behalf of the Westport community. The organization accepts gifts of land and conservation restrictions on land, and assists farm owners in preserving farmland with agricultural preservation restrictions.
