Westport Land Conservation Trust and The Trustees partner to host the annual Super Bowl Walk

On Super Bowl Sunday, February 2, 2020, starting at 11:00 am, the Westport Land Conservation Trust (WLCT) and The Trustees will be hosting their annual Super Bowl Walk, a hike that extends from the Slocums River in Dartmouth to the Westport River in Westport.

Conservation efforts in the area make it possible to do this 6+ mile hike. Here's your chance to experience sections of trail not normally open to the public--and get a little fresh air before watching the Super Bowl! For a special treat, the Westport Rivers Winery will be opening its doors to greet hikers at the end of the walk with discounted wine and beer by the glass only for \$7 and 20% off all take home wine for hikers, whether it is one bottle or many.

The walk will begin at 11 a.m. at the Slocum's River Reserve parking area across from 253 Horseneck Road in Dartmouth, about 1.4 miles south of Russells Mills Village. Parking for this program is provided thanks to Sylvan Nursery. **NO OVERFLOW PARKING** is allowed. Those interested in participating in the walk **MUST** register in advance. Please register online at www.westportlandtrust.org. A firm limit of 150 hikers has been set for the Super Bowl Walk.

Thanks to Whaling City Transit, transportation will be provided from the winery back to your car with plenty of time to get home to watch the big game. Be aware that trails will be icy, snow covered, or muddy. Proper **WATERPROOF** footwear is required and dogs will not be permitted for this walk. A \$10 donation per person is suggested for this walk.

A special thanks this year to the many trail volunteers and private landowners who make this program possible year-in and year-out. For more information on the walk, please email Brendan@westportlandtrust.org. If the weather is questionable, cancellation information will be disseminated 24 hours in advance of the walk. Please visit www.westportlandtrust.org prior to the walk for cancellation information.

About the Westport Land Conservation Trust

Since its founding in 1972, the Westport Land Conservation Trust has assisted landowners in protecting more than 4,800 acres in Westport, Massachusetts. WLCT is a private non-governmental organization dedicated to local land conservation on behalf of the Westport community. The organization accepts gifts of land and conservation restrictions on land, and assists farm owners in preserving farmland with agricultural preservation restrictions.
