

TEACHER- IN-RESIDENCE

Calling all Pre-K – 12 teachers!

Apply today for a STEM Teacher-in-Residence externship

\$1000 stipend for you, \$500 stipend
for a class field trip

- Any Pre-K – 12 STEM teacher in Massachusetts is eligible to apply
- We'll pair you with a marine science or technology host institution
- Summer externship lasts two weeks, with a travel stipend included
- We strongly encourage traditionally underrepresented STEM professionals to apply, including women and those in the Black, Latinx, and Native American communities.
