We're back after a two-year  
hiatus due to COVID!

# Martha's Vineyard Coastal Conference

- **Who should attend?** Coastal managers, environmental organizations, town officials, staff, conservation commissions, planning boards, and anyone interested in learning more about the impact of sea level rise and storms on island flooding, erosion impacts and projections, salt marsh restoration, resilience planning, and more...
- The conference is FREE.
- **In-person Conference!** The conference will be held in person and the venue is mask-optional, however if you feel more comfortable with a mask please feel free to wear one. If you are not feeling well or you've been in contact with someone that recently tested positive for COVID-19, please do not attend this conference and cancel your registration online ASAP. Please note, this conference will adjust to any changes in the town's or Commonwealth's COVID-19 restrictions.
