

## Seasonal Water Stewardship Interns

Part-time, seasonal: June through August

Hours: Flexible, including weekends, averaging 25 hours/week

BCWC seeks individuals interested in water quality, conservation, and stewardship. This position is mainly field-based, working on multiple projects related to water quality issues and potential nature-based solutions. Interns will obtain interdisciplinary experience ranging from aquaculture, wetlands restoration, water quality monitoring, invasive species identification and removal, wildlife and plant surveying, and community outreach and education.

### Responsibilities include, but are not limited to:

- Maintain oysters in demonstration upweller tank.
- Assist with water sampling and data collection in bays, rivers, and ponds.
- Identify marine and aquatic invasive species.
- Assist with avian and vegetation surveys at cranberry bogs restoration site.
- Provide the public with information on BCWC and projects.
- Compile and enter sampling and survey data in electronic database.
- Maintain sampling and monitoring equipment according to quality control standards.
- Assist with land management duties at cranberry bog restoration site.
- Assist BCWC staff with other duties as needed.

*Weekly stipend offered. Interns must provide their own housing and transportation.*

*Training will be provided by senior staff for all projects.*

### Qualifications:

- Must be 18 years or older, enrolled in or recently graduated from a college or university with a major/degree in marine or environmental science, ecology, or related discipline.
- Ability to work independently and as part of a team.
- Comfortable communicating and interacting with the public.
- Ability to lift and carry 40 pounds.
- Comfortable working in and around the water and on small watercraft.
- Ability to work in a variety of field conditions.

**How To Apply:** Please submit cover letter, resume, and contact information for two references to [jobs@bcleanwater.org](mailto:jobs@bcleanwater.org). Applications are due by Friday, March 1<sup>st</sup>.

**BCWC is an Equal Opportunity Employer**
