

Want to pursue a graduate degree in ecology, marine or environmental sciences, sustainability science or geosciences? Join us to demystify the process!

# BEACHES 3-DAY WORKSHOP

SUNDAY JUNE 2 - WEDNESDAY JUNE 5, 2024

NORTHEASTERN UNIVERSITY  
MARINE SCIENCE CENTER  
430 NAHANT ROAD, NAHANT MA

The BEACHES workshop explores the process of graduate school applications and STEM career pathways, and is especially geared towards students who identify with groups underrepresented in STEM fields, first generation college students, and students who do not have ready access to the graduate school pipeline.

**WORKSHOP, MEALS, LODGING AND TRAVEL  
ARE FREE FOR PARTICIPANTS.**

**APPLICATION DEADLINE: MARCH 15, 2024**
