2024

EROSION & SEDIMENT CONTROL FIELD DAYS

Tuesday, September 17th – Westerly, Rhode Island

Wednesday, September 18th – Vernon, Connecticut

Thursday, September 19th – N. Grafton, Massachusetts

SNEC Erosion & Sediment Control Field Days combine presentations and hands-on demonstrations. These days are training for professionals working in soils, erosion control, water quality, public works, engineering, roads, planning, resource protection, and consulting.

Our goal is to provide information that is immediately useful to all who attend.

You are encouraged to bring your site plans and questions!

Field Days are hosted by SWCS SNEC, in partnership with EJ Prescott.

Credit for 6 Professional Development Hours approved by EnviroCert International pending.
